CONDITIONS OF ENROLMENT

Students must provide their own instruments and will be required to purchase a tuition book for most tuition classes, details of which will be provided by the tutor once lessons commence. Electric guitar and bass guitar students will need to bring their own amplifier, and keyboard students will need their own keyboard with full-sized keys and mains adapter. (We do, however, have a number of violins, cellos, flutes, clarinets and trumpets available to hire to evening class students – please enquire). Music will be provided for the ensembles.

Each class requires a minimum number of students to run, as determined by the Director of Music. If a class does not have the minimum number of students enrolled, it may be cancelled and a full refund will be made for lessons not given. At this point there may be the option to commence individual lessons instead, should this be requested.

Chevin Music reserves the right to provide a different tutor to those advertised, either on a permanent or temporary basis, or to cancel any class in circumstances beyond our control.

No refunds can be given where students are absent from classes for any reason. Fees are non-refundable unless a class is cancelled by Chevin Music.
